

# And I'm Aching

## Black Rebel Motorcycle Club

I can't wait for long, my darling  
All I have to keep me strong All I have will go, all I have will go  
And I move on, and I move on  
And I'm aching, and I'm aching I can't wait for long, I'm sorry  
All I have has left me gone  
I can't stay for long, I'm sorry  
All that's left me kept me strong All I have will go, all I have will go  
And I move on, and I move on  
And I'm aching, and I'm aching  
(And I move on, and I move on) And I'm aching, and I'm aching  
(And I move on, and I move on)  
And I'm aching, and I'm aching  
(And I move on, and I move on)  
And I'm aching, and I'm aching  
(And I move on, and I move on) And I'm aching, and I'm aching  
(And I move on, and I move on)  
And I'm aching, and I'm aching  
(And I move on, and I move on)  
And I'm aching, and I'm aching  
(And I move on, and I move on)  
And I'm aching
