

# Put Your Hands Up (Pete Hammond Remix)

Kylie Minogue

Look around, I see a million different faces  
But no one's looking in my eyes  
It takes a minute when I'm in these different places  
To realize All we need is love in this life--it's true  
All I need is the love I get from you  
And I want to scream it out  
If you hear what I'm saying Put your hands up  
If you feel love tonight  
If you feel love  
Now put your hands up  
If you feel love tonight  
If you feel love  
No matter what we're gonna take this moment  
Now, come on, baby, you can show me  
So put your hands up  
If you feel love tonight  
If you feel love Everybody knows how life can get so twisted  
But I won't let it bring me down  
There's no point in ever trying to resist it  
Just work it out  
All we need is love in this life--it's true  
All I need is the love I get from you So put your hands up  
If you feel love tonight  
If you feel love  
Now put your hands up  
If you feel love tonight  
If you feel love  
No matter what we're gonna take this moment  
Now, come on, baby, you can show me  
So put your hands up  
If you feel love tonight  
If you feel love If you call it out tonight  
Let me hear it now  
Said, if you call it out tonight  
Let me hear it Now put your hands up  
If you feel love  
Now put your hands up  
If you feel love So put your hands up  
If you feel love tonight

If you feel love  
Now put your hands up  
If you feel love tonight  
If you feel love  
No matter what we're gonna take this moment  
Now, come on, baby, you can show me  
So put your hands up  
If you feel love tonight  
If you feel love
