Ledges

Noah Gundersen

I got a lot of loose ends, I've done some damage
I cut the rope so it frayed
And I got a lot of good friends, keeping me distracted
Keeping my sanity safe(Chorus)
Here, I stand on the edge of the ledges I've made
Looking for a steady hand
Here, I stand in the land of the rocks in the valleys
Tryin' to be a better man for youBut I drink a little too much
And it makes me nervous
I've got my grandfather's bloodAnd I take a little too much
Without giving back
If blessed are the meed then I'm cursedChorusI want to learn how to love
Not just the feeling
Bear all the consequencesAnd I want to learn how to love
And give it all back
Forgive me all that I have doneChorus (X2)
