

Dance Dance Dance

[Kim Dotcom](#)

Dance my Friends (x2)

Let me see your hands, Let me see your hands in the air, black white
rich floor get your ass off on the floor and dance, dance. Big, Small,
Short, Tall get your ass off the wall and dance.

Hands in The Air (x2)

Hands Everywhere

Dance! Dance!

Dance my Friends (x2)

Let me see your hands, Let me see your hands in the air, From New York City to L.A from Oton
to Manila Bay Let's Dance! Dance!

Let the music take control all the way around the globe let's dance, dance!

Hands in The Air (x2)

Hands Everywhere

Dance! Dance!

Dance my Friends (x2)

Let me see your hands, Let me see your hands in the air,

Dance my Friends (x2)

Let me see your hands, Let me see your hands in the air,

Hands in The Air (x2)

Hands Everywhere
