

# Beam Me Up

## Midnight Magic

There's a whole other conversation going on

In a parallel universe

Where nothin' breaks and nothin' hurts

There's a waltz playin' frozen in time

Blades of grass on tiny bare feet

I look at you and you're lookin' at me

Could you beam me up

Give me a minute

I don't know what I'd say in it

I'd probably just stare

Happy just to be there holdin' your face

Beam me up

Let me be lighter

I'm tired of bein' a fighter

I think a minute's enough

Just beam me up

Saw a blackbird soarin' in the sky

Barely a breath I caught one last sight

Tell me that was you sayin' goodbye

There are times I feel the shiver and cold

It only happens when I'm on my own

That's how you tell me I'm not alone

Could you beam me up

Give me a minute

I don't know what I'd say in it

I'd probably just stare

Happy just to be there holdin' your face

Beam me up

Let me be lighter

I'm tired of bein' a fighter

I think a minute's enough

Just beam me up

In my head I see your baby blues

I hear your voice and I

I break in two and now there's

One of me with you

So when I need you can I send you a sign

I'll burn a candle and turn off the lights

I'll pick a star and watch you shine  
Just beam me up  
Give me a minute  
I don't know what 'd say in it  
I'd probably just stare  
Happy just to be there holdin' your face  
Beam me up  
Let me be lighter  
I'm tired of bein' a fighter  
I think a minute's enough  
Beam me up  
Beam me up  
Beam me up  
Could you beam me up
