

# Pieces

## The Pack A.D.

Making deadlines, I fail, I fail  
Making mistakes, I excel, excel  
Fakeing interest, it's hard, to tell  
Such an invalid, oh well, oh well

Hold everything to pieces  
Hold everything to pieces  
Hold everything to pieces, ah-ah  
Hold everything to pieces

Hearing bad news, i shrug, i shrug  
Caring there, i guess, i guess  
It's all under, duress, duress  
Such a phony, oh well, oh well

Hold everything to pieces  
Hold everything to pieces  
Hold everything to pieces, ah-ah  
Hold everything to pieces

Taking the blame, i win, i win  
Playing the game again, again  
I tried to run, I fell, I fell  
Dust me off, oh well, oh well

Hold everything to pieces  
Hold everything to pieces  
Hold everything to pieces, ah-ah  
Hold everything to pieces

Hold everything to pieces  
Hold everything to pieces  
Hold everything to pieces, ah-ah  
Hold everything to pieces
