Fallen

Volbeat

Feel the sadness burning in my heart
You left too early father love
So many things I should have said
But in your mind you knew it wellHolding on to what I got and love
But things still seems so dark and cold
The fire burning down my happiness

But I will riseSo proud and strong you truly were

I took it with me as a tool

A gift from father to his only son Watching over me with eagle eyes

You gave me freedom to a love

Where dreams are born and truly became realSee me falling, yeah down and lonely

Are the angels on their way, I'm in the dirt Hear me screaming, see me bleeding

'Cause the days are no more the same without youPromise me my son you always will

Cherish what you love believing in Never lose your values, stand up for the day

Oh, dear father, I thank you for the years

I'm writing this song on your desk

Together we can make it through the daySee me falling, yeah down and lonely

Are the angels on their way, I'm in the dirt

Hear me screaming, see me bleeding

'Cause the days are no more the same without youSee me falling, yeah down and lonely

Are the angels on their way, I'm in the dirt

Hear me screaming, see me bleeding

'Cause the days are no more the same without youSee me falling, yeah down and lonely

Are the angels on their way, I'm in the dirt

Hear me screaming, see me bleeding

'Cause the days are no more the same without you
