

# The Only Thing

Ronnie Freeman

I heard someone say the other day  
They'd seen in me true love displayed  
Blessed by something I had done for them  
No sooner did they speak those words  
I found myself somehow disturbed  
Uneasy as I took their compliment  
Because I know the heart inside this man  
And I know the truth of who I am  
The only thing that's good in me is Jesus  
The only thing that's good in me is Jesus  
I'll live long enough to know no matter what this life may show  
The only thing that's good in me is Jesus  
If you could walk the hallways of my heart  
And see things as they really are  
I wonder if you might be surprised  
Seeing faded walls of pride and fear  
Rooms I've filled with faithless tears  
And corners where I've stood in compromise  
Oh but you'd see the work his grace has done  
And you'd know just how far I've come  
The only thing that's good in me is Jesus  
The only thing that's good in me is Jesus  
I'll live long enough to know no matter what this life may show  
The only thing that's good in me is Jesus  
And in a thousand years  
When the dust of this world clears  
And I look back on my life and see in perfect light  
Yeah, yeah, the only thing that's good in me is Jesus  
The only thing that's good in me is Jesus  
I know me well enough to know yeah  
The only thing that's good in me is yeah  
The only thing that's good in me is yeah  
I know me well enough to know no matter what this life may show  
The only thing that's good in me is, yeah, is Jesus  
Yeah, yeah, yeah, yeah
