Blind Dumb Deaf

Cocteau Twins

Blind dumb deafen offends
I was never a part of it
Blind dumb deafen offends
I was never a part of it, yeaAt the bosom or the breast
Of the forehead or the fistBlind dumb deafen offends
I was never a part of it
Blind dumb deafen offends
I was never a part of it, yeaMy mouthing at you
My tongue, the stake
I should welt, should I hold you?
I should gash, should I kiss you?Blind dumb deafen offends
I was never a part of it
Blind dumb deafen offends
I was never a part of it, yeaBlind dumb deafen offends
I was never a part of it
Blind dumb deafen offends
I was never a part of it, yea
