Straight Hate

Bloodsimple

Sometimes I wish I could just sew up my eyes So I don't have to witness and realize the monster that has become of meThere's something wrong with the fatal attraction
For every action there's an opposite reaction
It's like a trip to the brain, trip to the brain, that drives me fuckin'
I'm fuckin'insane, fuckin' insane, fuickin' insane!Straighthate - You're just a pawn in the game so fuck you Straighthate - You're just a pawn in the game so fuck youTo me there is nothing but a diluted state of reality
'Cause hell has fuckin' frozen over for meAnd from my knees I beg and plead for salvation
I will kick and scream with broken teeth until damnation
It's like a trip to the brain, trip to the brain, that drives me fuckin'
I'm fuckin' insane, fuckin' insane, fuckin' insane!Straighthate - You're just a pawn in the game so fuck you Straighthate - You're just a pawn in the game so fuck off
You're just a pawn in the game so fuck youCome revolution I'm down for the kill
Fingers on triggers to be used at will
Pledge your allegiance and die for the cause, the cause
As we rise red white and blessed blueStraighthate - You're just a pawn in the game so fuck you Straighthate - You're just a pawn in the game so fuck youThere's something wrong with the fatal attraction
For every action there's an opposite reaction
It's like a trip to the brain that drives me fuckin'
I'm fuckin'insane, fuckin' insane, fuickin' insane!Pledge allegiance
You better go!
Walk away, you never had a chance anyway
You walk away, you never had a fucking chance anyway
