Julia

sZa

Here soon, here soon
Here soon, here soonLoving alone is what you make it (make it)
Stay for the storm if you can take it (take it)
But pray for a raincoat
To where they're blind to, mistakes
I know you worry a lot
I'll be here for you
Do I care enough?
Do I feel for you?
I can guaranteeCome on, this one
Come on, this one
Come on, this one
Come on, this oneI didn't know you tried
'Cause you wanted more
And didn't know you cried
'Cause you wanted more
Things don't happen the way you hoped to
I'm just keeping a little hope, baby
I didn't know you tried
'Cause you wanted moreDying of daydreams in your bedroom (bedroom)
Waiting so long, said you'd be here soon (here soon)
How could you forget that
I'm the one who
Forgot all your mistakes
And dirty drawers
You know I care for you
When hell over earth came
I stood for you
Will you stand for me?Come on, this one
Come on, this one
Come on, this one
Come on, this oneI didn't know you tried
'Cause you wanted more
And didn't know you cried
'Cause you wanted more
Things don't happen the way you hoped to
I'm just keeping a little hope, baby
I didn't know you tried

'Cause you wanted more
