

# Left Alone (ft. Chet Faker)

## Flume

This is the sound beating of my loves  
This is the sound beating of my lovesGood down, I'm for long  
    Got my word to be someone  
    Good down, that's alright  
    All I want is to be left alone  
    Left alone, left alone, left alone  
    Left alone, left alone, left alone  
    Left alone, left alone, left alone  
    Left alone, Cannot swallow blue found vow  
    More than that my sleep is wild  
    All I need is suffering bones  
    Breathe in sorrow  
    Gonna watch you fake it now  
    Will I freak can I calm down  
    And I take it all at a loss  
    Breathe in sorrow  
    Gonna watch you fake it now  
    Will I freak can I calm down  
    And I take it all at a loss  
Breathe out sorrowGonna find them peace in loss  
    Holding by the knees and vow  
    I can always feel this proud  
    Breathe out sorrow  
    Oh I tell you something more  
    What my brain is bleeding for  
And it hurts my darling, but breathe out sorrow  
    Gonna find them peace in loss  
    Holding by the knees and vow  
    I can't always feel this proud  
    Breathe out sorrow  
    Oh, I tell you something more  
    What my brain is bleeding for  
And it hurts my darling, but breathe out sorrow
