## **Sentimental Street**

## **Night Ranger**

Saw you walkin' out on Sentimental Street

What'cha doin' out there?

Who you tryin' to be?Know what you're thinkin'

'Cause I've been there myself

I've been kicked so many times

I don't know nothin' elseStill I noticed your urgency

And recognized the flair

That ya got from chasin'

All those east coast daresAnd I've seen it before

It happens time and again

All cut up inside

Yet you're caught in a spinOut on Sentimental Street in the Avenues

Take a good hard look

There ain't nothin' ever newOut on Sentimental Street in the Avenues

Will you ever find out?

Guess I'll leave it up to youSaw you dancin' out

At Madame Wong Two's

You did them same two steps

That I taught you back in JuneHeard you dined last night

At Conte Razor's Cafe

Did you get your fill?

Did you think ya had to pay? Still I noticed your urgency

And recognized the pain

And I'm sure it's the same

You feel again and againAnd I wish I could get us

That second chance

But you're havin' too much fun

With your sudden romanceOut on Sentimental Street in the Avenues

Take a good hard look

There ain't nothin' ever newOut on Sentimental Street in the Avenues

Will you ever find out?

Guess I'll leave it up to youOut on Sentimental Street in the Avenues

Take a good hard look

There ain't nothin' ever newOut on Sentimental Street in the Avenues

Will you ever find out?

Guess I'll leave it up to youSentimental Street in the Avenues

Take a good hard look

There ain't nothin' ever newOut on Sentimental Street in the Avenues

Will you ever find out?

Guess I'll leave it up to youSaw you walking out on Sentimental Street
What'cha doing out there?
Who you trying to be?Out on Sentimental Street in the Avenues
Will you ever find us?
Guess I'll leave it up to you
