Catch the sunshine

Mario Biondi

No one ever told me
Wishes don't come true
I believe in magic, i believe in you
Life is not created, and cannot be destroyed
when you hear the voices, you will know the joy
catch the sunshine, let her light up your mind
honey it's so easy, it's not too farlet me be a distance, but never far in sight
when we hold each other
cannot be deniedwe gonna make much voices
we just answer things
leave your heart wide open
just to celebratecatch the sunshine
catch the sunshine, let her light up your mind
honey it's so easy, it's not too far
