

# Lonesome Day

## Muddy Waters

Today has been such a long and lonesome day  
Today has been a long and lonesome day  
I've been sitting here thinking with my mind  
A million miles away Well, I love my baby but my baby she don't love me  
I love my baby but my baby, she don't love me  
I take all my troubles  
And calf them down in the deep blue sea Blues started rolling  
And stopped at my front door  
Blues started rolling  
And stopped at my front door Change my way of living  
Won't have to worry no more
