Grimes

We all haunt in the sky at night (Ah ah aaa)

We all haunt in the sky at night (Ah ah aaa)

Under a sea of clouds I fly

Would the wind fly round as she tumbles?

Something fell from the blue-white snow

Bright light grew and string my bow

The wind shall seek with the sailor and me

Is the -----? if I saw one

Ah ah aaa

Ah ah aaa...

We all haunt in the sky at night

We all haunt in the sky at night

Under a sea of clouds I fly

Would the wind fly round as she tumbles?
