Self Centered

Bowling for Soup

Got it stuck in a bind
I don't even know why
It sucks to even try
But I won't try anymoreShe took the afternoon train
To find a different plane
But life down the drain
Better than being ignoredI think I'm taking a vacation now
I'm on holiday and maybe I won't rest
Until I've thrown it all away
Yeah I've got it downI'm gonna feel sorry for myself
I want to blame it on everyone else
I want to be self centered
And make everybody feel sorry for meShe sent a postcard again
She said she had a new friend
I hope that by the end
He throws her heart to the floor
She says he's really OK
I hope he ends up gay
It's not a nice thing to say
But I don't care anymoreMy leg fell asleep
Cause you laid on it
There's no reason to dwell on it
It's just not worth it
Remember a year ago
When we played in the show
Now get outta my head
