

# I Am With Name

## David Bowie

SegueI was  
Ramona A. Stone  
I started with no enemies of my own  
I was an artiste  
In a tunnel  
But I've been having a mid-life crisis  
And I've been dreaming of sleep  
And ape men with metal parts  
I've spat upon deeply felt age  
I've hid my hearts in  
And I hate the funny colored english  
We'll creep togeher you and I  
For I know who the small friends areSongI am with name, I am with name  
I am Ramona A Stone  
A night fear female  
Good timing drone  
I am with name, I am with nameI am with name, I am with name  
I am Ramona A Stone  
She should say: twitch & stream  
It'll end in chrome  
Night of the female good time drone  
I am with name  
I am Ramona A Stone  
She should say:  
I am with name  
I am Ramona A StoneA person who loses a name  
Feels anxiety descending  
Left at the crossroads, between the centuries  
A millenium fetish  
I am with name, I am with name  
I am Ramona A Stone  
I am with nameNight fear female  
Good timing drone  
I am with name  
I am Ramona A StoneI am Ramona A Stone[Give it to me one more time!]  
Anxiety descending  
Anxiety descending
