## **Night Witches**

## **Sabaton**

From the depths of hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless vision, undetectedPushing on and on, their planes are going strong
Air force's number one
Somewhere down below they're looking for the foe
Bomber's on a run

You can't hide, you can't move, just abide Their attack's been proved

Raiders in the dark

Silent through the night the witches join the fight Never miss their markCanvas wings of death

> Prepare to meet your fate Night bomber regiment 588Undetected, unexpected

Wings of glory
Tell their story
Avidiation, deviation

Undetected

Stealth perfectedFoes are losing ground, retreating to the sound

Death is int he air

Suddenly appears, confirming all your fears

Strike from witches lair

Target found, come around, barrels sound

From the battleground

Axis aiming high

Rodina awaits, defeat them at the gates Live to fight and flyBeneath the starlight of the heavens Unlikely heroes in the skies

Witches to attack, witches coming back
As they appear on the horizon
The wind will whisper when the night witches come
