Hands On Stance

Ignite

Hands on stance,
if you care love somethin',
see it threatened,
you'll get angry and fight,
scorched earth policy,
nature's not valued by our society,
sometimes you fight and you win,
most the time's a loss up against big monies,
murderous policy,
war on predators on public property, oh,
destroy what humans have made like a bulldozer,
called a vandal, criminal,
clear cut old growth trees,
called a logger, a miner, a businessman,
stand up and fight,
don't give in,
stagnant hands can't accomplish anything,
I value life over property,
the greedy hands stained in blood money,
sometimes you fight and you win
Stand ground but don't you give in
Sometimes you fight and you win
Stand up for what you believe,
the circus came to town,
bringin' misery,
white trash families bring the kids,
gawk at inhumane tragedy,
beat lions,
detooth black bears,
elephants on the verge of insanity,
rodeo hillbillies,
travelin' jails,
a side show circus freak,
sometimes you fight and you win
Stand ground but don't you give in
Sometimes you fight and you win
Stand up for what you believe
A hands on stance for
What you believe,

stand your ground firm
Because sometimes you fight and you win
Stand ground but don't you give in
Sometimes you fight and you win
Stand up for what you believe
