Alive

S Club

I still remember it was day number one
We hit the ground and then we started to run
Now weÂ´re connected and I wonÂ´t turn around
Cause you set me free, put my soul at ease

I just canÂ´t stop the feeling
What you give is what IÂ´m needing
I just wonÂ´t stop believing
On and on itÂ´s only just begun

[Chorus:]
IÂ´m feeling so alive
Make it last forever
Everyday is right
Whenever weÂ´re together
IÂ´m so alive
And loving every minute
Underneath the sky thereÂ´s a heaven for you and I

I feel so alive
Day number two and thereÂ´s a difference in me
WeÂ´re getting closer baby spiritually
I got this feeling it was just meant to be
There Â´s an energy between you and me yeah

I just canÂ´t stop the feeling
What you give is what IÂ´m needing
I just wonÂ´t stop believing
On and on itÂ´s only just begun

[Chorus]

Like a waterfall coming down on me
I canÂ´t go back 'cause IÂ´m in too deep
You make me see those things that I never seen
You know the remedy, itÂ´s obvious to me

[Chorus]
