Why Have I Lost You

Cameo

Today I'm just a lonely man
But tomorrow I'll be a king
Blessing all my subjects
Cast a far and insecurities
The whole wide world will watch me
As I walk up to my throne
Nights in shining armor
Stand around to heed my call
But wait a minute, I'm still lonely
I guess anyone can dream
But when you lose someone it seems
So unimportant
Although every person change
Different times and different ways
But never all the same
Why have I lost you?
Why tell me ooh
Why have I lost you?
Why tell me ooh
Why have I lost you?
Why tell me ooh
Why have I lost you?
Why tell me ooh
Why have I lost you?
Why tell me ooh
Why have I lost you?
Why tell me ooh
I need you baby
Oh you just don't go
I never thought that you do me this way, oh
Yeah, yeah
How could I not trust in you baby, yes I did
And I found out, that you really did on me
Why, why, why, why, why
Oh baby, I want to know
I want to know, I want to know, oh
