Like A Pimp (remix)

David Banner

David Banner
By the time I done got up in the do'
All I wanna see is phatty drop to the flo'
Come and bump it for the balla' name twist'
While I sit in VIP poppin' Cris' and Mo'
Come and kick it with the playa' that get the ass
And the cash by the incredible bulk
Sippin' Hipnotiq and Hennessy
Yeah we call it Incredible Hulk 'cause I gotta' get that butt,
When I'm up in the club, jackin' booties 'til the mornin'
Thinkin' bout it bonnin', realizing, realizing, that I am zonin'
'Cause the guls here look so good
Somebody need to put them in a magazine, and a
My homies got it from the front to the back
With they straps and they magazines
And a baby show me how you do that roll
Make it jump and jiggle 'cause yo' booty swoll
Come over here show me how you pop it and drop it
You know I love when you work that good dick hoe
Get it crunk it's a kinky thing
Baby gul' let me see you fold up your legs like a chicken wing
Figure how you do those kinky things
Slex it if it's a Chi-town head this Mississippi thang
Cars, got to do it, clothes, got to do it
Ice, got to do it, gul' put yo' booty and get yo' back into it
Put a David Banner crack into it, and I bet your system gon' beat
And this is how the Twista spit it to the remix for these freaks
Real girls get down on the flo' on the flo'

All my ladies say,"Oww"
My female pimps the way that you hit the flo'
And makes a sista' pay cash
Bring it back to daddy can you work that ass out, you know me
It's the M I crooked letter, crooked letter, I
Crooked letter crooked letter, I
Hump yo' back, hump yo' back, I
All my gang bangin' dope slangers throw it up, high
Sets up, you could come to the south talkin' smack and get so wet up
Screamin', "Where's my girl?"
Don't worry buddy, she here with us, shakin' and poppin'
Droppin' real slow but she ain't stoppin' nothin' man
She came to get down for the clique
We got cash so we screamin' out "Shake somethin' bitch"
This is yo' song, let me see your dirty thong

Y'all know who it is, better believe it's Busta Rhymes
So start runnin' around my nigga
I'm bustin' nigga heads
Instead fill them with lead you better chill
When my runners around, my nigga
I got a lot of bitches playin' with each other in a hotel room
While they rollin' around my nigga
'Cause everytime we in a place every nigga know
Flip Mode gotta' be holdin' it down my nigga
Sick, with a little dro', sick, with a little dough
Sick, with a little flow make you love it a lot
Quick 'cause I gotta' do it and I gotta' rep for the rich
And the little po nigga tuggin' the block
Chicks in the mink sit in the back seat
When I'm on a strip and I roll in the drop
Sip a little bit of yac dip a little

When I whip the Cadillac truck throwing the glock
And we gotta' put it down and
Keep it pimpin' 'til they cannot deny
Just grab yo' bottles and keep sippin', throw your hands in the sky
All of my, people, keep it, goin'
You little sucka' nigga tryna keep it a secret but we blowin' you up
Better get a better grip if you ain't know
That we only messin' with the hoes
Better know wassup, better pour a little yac in my glass
While I'm watchin' my hoes just like a pimp when I'm holdin' my cup
Now watch me pour just a little bit of yac out for my homies
Throw it back out, with a little shorty
Blow her back out, like a pimp, playa
Real girls get down on the flo' on the flo'
Real girls get down on the flo' on the flo'
Real girls get down on the flo' on the flo'
Real girls get down on the flo' on the flo'
