

# Tell Me

## Groove Theory

Oo yeah I've been doing my own thing  
Love has always had a way of having bad timing  
But to my great surprise, ever since I looked in your eyes  
I had one question for you Tell me if you want me to give you all my time  
I wanna make it good for you 'cause you blow my mind  
I promise, boy, that I'll be true, you're the perfect find  
So tell me if you want me to, yeah If you've thought I'd sleep on this  
Boy, you're wrong 'cause all I dream about is our first kiss  
And you're the first one to make me feel like this  
And this is one opportunity that I can't miss, no, no Boy, you wanna know the deal  
You are wondering if the words I'm saying are for real  
'Cause you got more appeal than any man in this whole world  
And baby, I got to know how you feel, yeah Tell me if you want me to give you all my time  
I wanna make it good for you 'cause you blow my mind  
I promise, boy, that I'll be true, you're the perfect find  
So tell me if you want me to Sweetheart, now it's time I let you know  
I don't wanna rush, we should take it slow  
Boy, I can love you, can you help me grow?  
Give me a new beginning and I'll give you a happy ending Tell me if you want me to  
I wanna make it good for you  
I promise, boy, that I'll be true  
So tell me if you want me to Tell me if you want me to  
I wanna make it good for you  
I promise, boy, that I'll be true  
So tell me if you want me to Tell me if you want me to  
I wanna make it good for you  
I promise, boy, that I'll be true  
So tell me if you want me to
