

# Ravenlord\*

## HammerFall

Grey morning, dawn won the fight  
Daylight drives away the night  
Fog's rising out in the fields  
The birth of winter is in sight  
Dark shadow's fall from the sky  
They alight on gallows tree  
Black feathers, amber beaks  
Waiting for their Deity  
Leaves are spinning 'round  
Lost and never found  
When the King takes the Crown  
Can you feel  
The autumn wind blowing  
Ravenlord is coming to stay  
Can you hear  
The passing bell tolling  
Ravenlord - takes you far away  
Sharp talons, pinions of ice  
They obscure the new-born day  
Hot breathing freezes to snow  
Piercing caws lead you astray  
Leaves are spinning 'round...
