You Hid

Toro Y Moi

Give me somewhere to be
Take me to somewhere now
You might as well waste your time with me
If you're gonna be here
Get away
From the woods that make you afraid
Down to the last few strands of thought
Making you a target for a fight
Give me somewhere to be
Take me to somewhere now
You might as well waste your time with me
If you're gonna be here
Wait

Wait
Wait
Wait
I don't think I'll work out
As your best friend
I don't want to hold you down
I know there's someone better for you
I don't want to be around
When you've gotta go
Go away
Go away
