

Don't You Look At Me Like That

Meat Loaf

I still dream of you wakin' up openin' your eyes
Like a little girl I once knew walkin' to the window
Lookin' down on the street
You walk with me and I walk with you Well, I thought it all over, it doesn't make any sense
Why did it fall apart when it seemed so innocent?
You and I were like a light from a fallen star
You can't go back, you can't run away from your heart Don't you look at me like that
'Cause I fall all over again
And I just can't hold on to your love anymore
Don't you look at me like that
'Cause I start all over again
And it just can't be like it was once before Don't stand there in the rain
Lookin' like some long lost angel
You and I were like a light from a fallen star
You can't go back, you can't run away from your heart
Don't stand there in the rain
Lookin' like some long lost angel
