Blue (live)

A Perfect Circle

I didn't want to know
I just didn't want to know
Best to keep things in the shallow end
'Cause I never quite learned how to swimI just didn't want to know
Didn't want
Didn't want
Didn't want
Didn't wantClose my eyes just to look at you
Taken by the seamless vision
I close my eyes
Ignore the smoke
Ignore the smoke
Ignore the smokeCall it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
While I just sit and stare at youBecause I don't want to knowI didn't want to know
I just didn't want to know
I just didn't wantMistook their nods for an approval
Just ignore the smoke and smileCall it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
Such a perfect color for your eyes
Call it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
While I just sit and stare at youI don't want to know
