

# Blue (live)

## A Perfect Circle

I didn't want to know  
I just didn't want to know  
Best to keep things in the shallow end  
'Cause I never quite learned how to swim I just didn't want to know  
Didn't want  
Didn't want  
Didn't want  
Didn't want Close my eyes just to look at you  
Taken by the seamless vision  
I close my eyes  
Ignore the smoke  
Ignore the smoke  
Ignore the smoke Call it aftermath, she's turning blue  
Such a lovely color for you  
Call it aftermath, she's turning blue  
While I just sit and stare at you Because I don't want to know I didn't want to know  
I just didn't want to know  
I just didn't want Mistook their nods for an approval  
Just ignore the smoke and smile Call it aftermath, she's turning blue  
Such a lovely color for you  
Call it aftermath, she's turning blue  
Such a perfect color for your eyes  
Call it aftermath, she's turning blue  
Such a lovely color for you  
Call it aftermath, she's turning blue  
While I just sit and stare at you I don't want to know
