

Your Love is Deep (live)

Jami Smith

Your love is deep, Your love is high
Your love is long, long, Your love is wide
Your love is deep, Your love is high
Your love is long, long, Your love is wide Your love is deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap You've filled Deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap You've filled And Your love is deep, Your love is high
Your love is long, long, Your love is wide
Your love is deep, Your love is high
Your love is long, long, Your love is wide Your love is deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap You've filled Deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap You've filled Who shall separate us
Who shall separate us from Your love
Nothing can separate us, oh yeah
Nothing can separate us from Your love 'Cause Your love is deep, Your love is high
Your love is long, long, Your love is wide
Your love is deep, Your love is so high
Your love is long, long, Your love is wide, oh yeah Your love is deeper than my view of grace
Higher than this worldly place
Longer than this road I've traveled
Wider than the gap You've filled It's deeper than my view of grace
It's higher than this worldly place
It's longer than this road I've traveled
And wider than the gap You've filled And Your love is deep, Your love is high
Your love is long, long, Your love is wide
Your love is deep, Your love is so high
Your love is long, long, Your love is wide
Your love is deep
