Melody Fair

Richard Hewson Orch.

Who is the girl with the crying face
Looking at millions of signs?
She knows that life is a running race
Her face shouldn't show any line
Melody Fair, won't you comb your hair?
You can be beautiful too
Melody Fair, remember you're only a woman
Melody Fair, remember you're only a girl
Who is the girl at the window pane
Watching the rain falling down?
Melody, life isn't like the rain
It's just like a merry go round
Melody Fair, won't you comb your hair?
You can be beautiful too
Melody Fair, remember you're only a woman
Melody Fair, remember you're only a girl
Who is the girl with the crying face
Looking at millions of signs?
She knows that life is a running race
Her face shouldn't show any lines
Melody Fair, won't you comb your hair?
You can be beautiful too, too, too, too, too
Melody Fair, remember you're only a woman
Melody Fair, remember you're only a girl
