I Shot William H. Macy

Head Automatica

You wanna pop, pop, pop
You wanna click, click, click
You wanna shoot
You wanna shoot
You wanna shoot
Shoot everything you came to shoot
Do everything you came to do
Yay-e-yeah, I'll put assassins
In your little head, yeah
Yay-e-yeah, I'll put assassins
On your little head, yeah
Sleepin' with the enemy
Seems to get the best of me
Sleepin' with the enemy
You wanna pop, pop, pop
You wanna click, click, click
You wanna shoot
You wanna shoot
You wanna shoot
Yay-e-yeah, I'll put assassins
In your little head, yeah
Sleepin' with the enemy
Seems to get the best of me
Sleepin' with the enemy
Yay-e-yeah, I'll put assassins
In your little head, yeah
Yay-e-yeah, I'll put assassins
In your little head, yeah
Yay-e-yeah, I'll put assassins
In your little head, yeah
Yay-e-yeah, I'll put assassins
In your little head, yeah
