

# I Shot William H. Macy

## Head Automatica

You wanna pop, pop, pop  
You wanna click, click, click  
You wanna shoot  
You wanna shoot  
You wanna shoot  
Shoot everything you came to shoot  
Do everything you came to do  
Yay-e-yeah, I'll put assassins  
In your little head, yeah  
Yay-e-yeah, I'll put assassins  
On your little head, yeah  
Sleepin' with the enemy  
Seems to get the best of me  
Sleepin' with the enemy  
You wanna pop, pop, pop  
You wanna click, click, click  
You wanna shoot  
You wanna shoot  
You wanna shoot  
Yay-e-yeah, I'll put assassins  
In your little head, yeah  
Sleepin' with the enemy  
Seems to get the best of me  
Sleepin' with the enemy  
Yay-e-yeah, I'll put assassins  
In your little head, yeah  
Yay-e-yeah, I'll put assassins  
In your little head, yeah  
Yay-e-yeah, I'll put assassins  
In your little head, yeah  
Yay-e-yeah, I'll put assassins  
In your little head, yeah
