Walk on Water (Pablo Lago Remix)

Milk Inc.

There was a time
When nothing would last
There was a time
I held on to the pastI would walk on water
Just to be with you
Walk on water
Just to be with youSplit the ocean, cross the sea
Walk on water if you believeThere was a time
I lost my faith
There was a time
I could only hateYou were my shepherd
You were my guide
I followed your dark eyes
Right into the nightYou were my savior
You took control
You came and touched my soulI would walk on water
Just to be with you
Walk on water
Just to be with youSplit the ocean, cross the sea
Walk on water if you believeThere was a time
When nothing would last
There was a time
I held on to the pastYou were my shepherd
You were my guide
I followed your dark eyes
Right into the nightYou were my savior
You took control
You came and touched my soulWhy are you still overshadowed by the dark?
If only you could see the love that carries me
