

Walk on Water (Pablo Lago Remix)

[Milk Inc.](#)

There was a time
When nothing would last
There was a time
I held on to the past I would walk on water
Just to be with you
Walk on water
Just to be with you Split the ocean, cross the sea
Walk on water if you believe There was a time
I lost my faith
There was a time
I could only hate You were my shepherd
You were my guide
I followed your dark eyes
Right into the night You were my savior
You took control
You came and touched my soul I would walk on water
Just to be with you
Walk on water
Just to be with you Split the ocean, cross the sea
Walk on water if you believe There was a time
When nothing would last
There was a time
I held on to the past You were my shepherd
You were my guide
I followed your dark eyes
Right into the night You were my savior
You took control
You came and touched my soul Why are you still overshadowed by the dark?
If only you could see the love that carries me
