

# Home With Me

## Nocturnal Sunshine

Your world, my world  
Your world, my world San Christobal on new year's day  
Your world, my world  
Sunny beach, L.A  
Your world, my world  
Blue and coral Kirkstall skies  
Your world, my world  
Timorese sunrise  
Your world, my world Fairfield horseshoe in the snow  
Your world, my world  
Clashing worlds in Tokyo  
Your world, my world  
All the bars in county Cork  
Your world, my world  
Heavy rain, New York  
Your world, my world I sailed the seven seas  
Carved my love on trees  
I brought the whole  
World home with me  
Home with me Your world, my world  
Barcelona cobbled streets  
Your world, my world  
Paris, 1968  
Your world, my world  
Words along the Berlin wall  
Your world, my world  
When it's just about to fall  
Your world, my world I sailed the seven seas  
Carved my love on trees  
I brought the whole  
World home with me  
Home with me Your world, my world  
Your world, my world Your world, my world  
Graceland's, Memphis, Tennessee  
Your world, my world  
Killing time, napole  
Your world, my world  
Autumn Warsaw, grey and green  
Your world, my world

Kronstadt 1917

Your world, my worldI sailed the seven seas

Carved my love on trees

I brought the whole

World home with me

Home with meI sailed the seven seas

Carved my love on trees

I brought the whole

World home with me

Home with me
