

# Gone With The Wind

## Blackmore's Night

Twisting turning  
The winds are burning  
Leaving me without a name  
How will we ever find our way  
Snow was falling  
I could hear the frightened calling  
Fear taking over every man  
Life meaning nothing more than sand  
Wind will sweep away  
The traces I was here  
A story in a teardrop  
That's all I have to give  
Rage inferno swallowing the life that I know  
Strength is the only way to fight  
You must look up to see the light  
Gone with the wind  
Take all I know  
Turn it into darkened shadows  
They'll disappear in the sun  
When a new story has begun  
She survived the nightmare  
Began a whole new life here  
But I can see behind those eyes  
She still sees those fires in the night  
Twisting and turning  
Oh, the winds are burning  
Leaving me without a name  
How will we ever find our way
