

Love Makes The World Go 'round

The Everly Brothers

Love makes the world go round,
Love makes the world go round
Somebody soon will love you
If no one loves you now
High in some silent sky
Love sings a silver song
Making the Earth whirl softly
Love makes the world go round

High in some silent sky
Love sings a silver song
Making the Earth whirl softly
Love makes the world go round

Making the Earth whirl softly
Love makes the world go round.
