

# Try Again

## Knorkator

What would you do?  
To get to me  
What would you say?  
To have your way  
Would you give up?  
Or try again  
If I hesitate  
To let you in  
Now would you be yourself  
Or play your role  
Tell all the boys  
Or keep it low  
If I say no  
Would you turn away?  
Or play me off  
Or would you stay, oh, oh!  
And if at first you don't succeed  
Then dust yourself off and try again  
You can dust it off and try again, try again  
Cause if at first you don't succeed  
You can dust it off and try again  
Dust yourself off and try again, try again (and again)  
Im in to you  
You into me  
But I can't let it go  
So easily  
Not till I see  
Whether this could be  
Could be eternity  
Or just a week  
You know our chemistry  
Is off the chain  
Its perfect now  
But will it change?  
This ain't a yes  
This ain't a no  
Just do your thing  
Well see how it goes  
Repeat 1  
See you don't wanna throw it all away  
I might be shy on the first date

What about the next date?  
Huh? Huh? Huh? Huh?  
I said you dont wanna throw it all away  
I might be buggin on the first date  
What about the next date?  
Huh? Huh? Huh? Huh?  
If at first you dont succeed  
You can dust it off and try again  
Dust yourself off and try again, try again  
Cause if at first you dont succeed  
You can dust it off and try again  
You can dust it off and try again, try again (and again)Repeat 1 till end
