

# Middle of Love

Beverley Knight

I'm a whole lotta lady  
I know you love that  
You be a whole lotta lonely  
If you don't learn how to act I'm not talking about flowers  
You know that's just not my style  
I'm talking more of your time honey  
Spend it with me a while See I give so much for love  
I need a little get back Well I know you're not crazy  
Got someone else on the side  
See your lady's a killer  
And you ain't ready to die But I sometimes wish I knew what's going on in your mind  
'Cause I feel something is wrong I don't know Why meet in the middle of love  
That's where it feels so good  
It should never feel so tough  
Why I don't want to suffer this way  
Let's go back to our first chapter  
Take it to the top When we first got it together  
Love was an ocean of waves  
Now there's barely a ripple  
And yet you say nothing's changed Well I just can't shake the feeling there's a turn in the tide  
When you say baby you're wrong please tell me Why meet in the middle of love  
That's where it feels so good  
It should never feel so tough  
Why I don't want to suffer this way  
Let's go back to our first chapter  
Take it to the top You want me to stay  
So meet me halfway baby  
Don't you understand  
I'm doing all I can  
Let's go back to our first chapter  
Take it to the top Why meet in the middle of love  
That's where it feels so good  
It should never feel so tough  
Let's go back to our first chapter  
Take it to the top
