

# Devil Town

## Groovie Ghoulies

[Originally by Daniel Johnston] I was living in a devil town  
Lived my life in a devil town  
Oh my lord it really brings me down  
About the devil town  
And all my friends were vampires  
I didn't know they were vampires  
Until that I was a vampire too  
In a devil town  
Hey  
Hey  
Hey  
Hey  
Hey  
Hey  
I was living in a devil town  
Lived my life in a devil town  
Oh lord it really brings me down  
About the devil town  
Devil town(Green hell!!!)
