

# Boppin the Blues

Carl Perkins

Well all my friends are bopping the blues it must be going round  
All my friends are bopping the blues it must be going round  
I love you baby but I must be rhythm bound  
Well the doctor told me, Carl, you don't need no pills  
The doctor told me boy you don't need no pills  
Just a handful of nickels the jukebox will cure your ills  
Well all my friends are bopping the blues it must be going round  
All these cats are bopping the blues it must be going round  
I love you baby but I must be rhythm bound  
Well the old cat bug bit me man I don't feel no pain  
Yeah that jitterbug caught me man I don't feel no pain  
I still love you baby but I'll never be the same  
Well all my friends are bopping the blues it must be going round  
All these cats are bopping the blues it must be going round  
I love you baby but I must be rhythm bound  
Well all my friends are bopping the blues it must be going round  
All these cats are bopping the blues it must be going round  
I love you baby but I must be rhythm bound  
Well grandpa done got rhythm and he threw his crutches down  
Well the old boy done got rhythm & blues and he threw that crutches down  
Grandma he ain't trifling well the old boy's rhythm bound  
Well all them cats are bopping the blues it must be going round  
All my friends are bopping the blues it must be going round  
I love you baby but I must be rhythm bound  
Bop cat bop  
Rock bop rhythm and blues, rock bop rhythm and blues  
Rock bop rhythm and blues, rock bop rhythm and blues  
Rhythm and blues it must be going round
