

Damaged Goods

Gang of Four

The change will do you good
I always knew it would
Sometimes I'm thinking that I love you
But I know it's only lust Your kiss so sweet
Your sweat so sour Your kiss so sweet
Your sweat so sour
Sometimes I'm thinking that I love you
But I know it's only lust The sins of the flesh
Are simply sins of lust
Sweats running down your back
Sweats running down your neck Heated couplings in the sun
(Or is that untrue?)
Colder couplings in the night
(Never saw your body) Your kiss so sweet
Your sweat so sour
Sometimes I'm thinking that I love you
But I know its only lust The change will do you good
I always knew it would
You know the change will do you good
You know the change will do you good Damaged goods, send them back
I can't work, I can't achieve, send me back
Open the till, give me the change
You said, would do me good
Refund the cost
You said you're cheap but you're too much Your kiss so sweet
Your sweat so sour
Sometimes I'm thinking that I love you
But I know it's only lust The change will do you good
I always knew it would
You know the change will do you good
You know the change will do you good I'm kissing you goodbye
(Goodbye, goodbye, goodbye, goodbye, goodbye)
I'm kissing you goodbye
(Goodbye, goodbye, goodbye) I'm kissing you goodbye
(Goodbye, goodbye, goodbye, goodbye, goodbye)
I'm kissing you goodbye
(Goodbye, goodbye, goodbye) I'm kissing you goodbye
(Goodbye, goodbye, goodbye, goodbye, goodbye)
I'm kissing you goodbye

(Goodbye, goodbye, goodbye) Goodbye, goodbye, goodbye, goodbye, goodbye
Goodbye, goodbye, goodbye
Goodbye, goodbye, goodbye, goodbye, goodbye
Goodbye, goodbye, goodbye
