Dance War

Frank Black

Mister, you're an actor
Practicin' your lines by yourself
Don't need no benefactor
I just want to be by myselfI'm goin' fightin' in the dance war
I'm goin' fightin' in the dance war
In the dance warThough I'm goin' nowhere
Slamming in this pit
My brain was gonna melt
Listening to your shitI'm goin' fightin' in the dance war
I'm goin' fightin' in the dance war
In the dance warThe war will never end
And I don't have a care in my world
See the bodies fly
Take the double dare in my worldI'm goin' fightin' in the dance war
I'm goin' fightin' in the dance war
In the dance warFightin' in the dance war
I'm goin' fightin' in the dance war
