Liar's Club (demo)

Stiff Little Fingers

I wanna talk to you, but you said .
But yous still stand there where others ...
And every time you use that glow,
They call in time
Make it sure you got it all, it's down on the stairs
Welcome to the liars club
Welcome to the liars club
Welcome to the liars club
Welcome to the liars club
And you'll be for us, at the end we'll be ...
We'll get it all but I shop to
Welcome here and watch it all...
Everyone's watching ...
You don't care nothing this time
To the liars club
Welcome to the liars club
Welcome to the liars club
Welcome to the liars club
Welcome to club
