

# Captain Nemo

[Sarah Brightman](#)

Under the surface so crystal clear  
Everyone was really tense  
Waiting down there  
He had his own world just like I had mine  
We'll go separate ways 'til the next time  
There are no words to say as  
My friend swims away Captain Nemo said, "okay"  
(five, four, three, two, one)  
Then I raised my hand and waved  
Captain Nemo went away  
(Love me when I'm gone)  
Left 'em all alone, Nemo's going home And as I watched him, police boats approached  
An alien force haunting us like ghosts  
"Wish I could stay here and play for a while  
But I must be on my way..."  
The warmest of smiles  
Then he dived into the waves among the other whales Captain Nemo said, "okay"  
(five, four, three, two, one)  
Then I raised my hand and waved  
Captain Nemo went away  
(Love me when I'm gone)  
Left 'em all alone, Nemo's going home...
