Grow (Black Dice Remix)

Delorean

Maybe, maybe, maybe, maybe, maybe, maybe
Maybe, maybe, maybe, maybe, maybe, maybeDon't you tell me that we're free to do whatever we want (maybe)
don't you tell me that we're free to do whatever we want (maybe)
'cuz even if we tried the things that we would never allow (maybe)
'cuz even if we tried the things that we would never allow (maybe)
will you ever understand this decision i've made? (maybe)
will ever you make yourself this decision i've made
and will we ever know what daniel grows so that's what it stays
and will we ever know what daniel grows so that's what it staysAnd the time is broken & we're broken too (maybe)
things start to fall apart..(maybe)
and if you keep falling i'll keep falling too
I'll fall down by your sideI see a storm coming in spreading all around (maybe)
I see the desert showing after(noon) in to dust (maybe)
and will we ever know what did you grow so that whats stays, stays, stays
and will we ever know what daniel grows so thats what staysMaybeAnd will you ever understand this decision I've made?
and will you ever make yourself this decision ive made?
and will we ever know what daniel grows so thats what he saves
and will ever know what daniel grows so thats what he saves?
