

Funny, Familiar, Forgotten Feelings

[Mandy Barnett](#)

And then those funny, familiar, forgotten feelings
Started walking all over my mind
Last night, quietly, you walked through my mind
As I lay searching for sleep
Your hand reached out, you whispered my name
As you brushed a tear from my cheek
And then those funny, familiar, forgotten feelings
Started walking all over my mind
Well, now I must go on, be strong
Though a million teardrops may fall
