Come really put your mind to itOoh oh ooh oh ooh oh
Calling Mr DJ
Ooh oh ooh oh ooh oh
Play that song for me
Ooh oh ooh oh ooh oh
Calling Mr DJ
I believe you'll set me freeAh Mr. DJ come on play my song
Ah Mr. DJ play it all night long
Come really put your mind to it
Come really put your mind to itAh Mr. DJ come on play my song
Ah Mr. DJ play it all night long
Come really put your mind to it
Come really put your mind to itCome really put your mind to it
Come really put your mind to it
Come really put your mind to it
Come really put your mind to itCome really put your... mind to itCome really put your mind to itPlay it on until the morning rise
Play it on until me hold on, come on
Come really put your mind to it
Come really put your mind to itPlay it on until the morning rise
Play it on until me hold on, come on
Come really put your mind to it
Come really put your mind to itSet me free
Set me free
Set me free
Come really put your mind to it
Set me free
Come really put your mind to itI believe you'll set me freeCome really put your mind to it
