

# Magic (feat. Rivers Cuomo)

## B.o.B

I got the magic in me  
Every time I touch that track, it turns into gold  
Everybody knows I've got the magic in me  
When I hit the flow, the girls come snappin' at me  
Now everybody wants presto magic[Chorus]  
Magic, magic, magic  
Magic, magic, magic  
Magic, magic, magic  
I got the magic in me These tricks that I'll attempt will blow your mind  
Pick a verse, any verse--I'll hypnotize you with every line  
I'll need a volunteer, how about you, with the eyes?  
Come on down to the front and stand right here and don't be shy  
I'll have you time-travellin', have your mind babblin'  
People tryin' to inherit the skill, so they askin' me  
Even David Blaine had to go and take some classes, and  
I see Mindfreak like, "What's up man? What's happenin'?"  
So come one, come all and see the show tonight  
Prepare to be astounded, no Ghost or Poltergeist  
You know I'm no Pinocchio--I've never told a lie  
So call me Mr. Magic Man, I float on Cloud 9 I got the magic in me (I got the magic, baby)  
Every time I touch that track, it turns into gold (yes, it turns to gold)  
Everybody knows I've got the magic in me (I got the magic, baby)  
When I hit the flow, the girls come snappin' at me (they be snappin', baby)  
Now everybody wants some presto magic[Chorus] Well, take a journey into my mind  
You'll see why it's venom I rhyme  
Stay on the road, so I call my mama when I got time  
I hit the stage, go insane, then jump into that crowd  
See, see, when I rhyme, I flow on the beat like pidda-dow-dow  
See I deceive you with my intergalactic ego  
I sing just like Aretha, so respect me like I'm Caesar  
I kick it like Adidas, flowin' sticky like adhesive  
Be cautious 'cause what I be on'll leave you with amnesia  
I break all the rules like Evel Knievel  
It's a spectacular show 'cause my heart pumps diesel  
So whatever you're saying, it don't entertain my ego  
I do this everyday, Hocus Pocus is my steel I got the magic in me (I got the magic, baby)  
Every time I touch that track, it turns into gold (yes, it turns to gold)  
Everybody knows I've got the magic in me (I got the magic, baby)  
When I hit the flow, the girls come snappin' at me (they be snappin', baby)

Now everybody wants presto magic[Chorus]
